

Candidates For Election To The Board Of Directors

These Members are seeking election to Indian River Federal Credit Union's Board of Directors during Indian River Federal Credit Union's Annual Meeting to be held February 9, 2010 at the Freshman Learning Center, 1507 19th Street, Vero Beach, at 7:30 PM. Nominations from the floor are not allowed.

Virginia Jackson

I was born and reared in Indian River County. I moved to Palm Beach County to attend college and resided there for over thirty years. I was employed by the Palm Beach County Head Start Program and from there joined the Palm Beach County School District. I have served on the Riviera Pension Board, the Sun Trust Bank Board and the Post Secondary Board of Vocational Education, appointed by the governor. I returned to my hometown here in Indian River County eight years ago, joined the IRC School District as an Assistant Principal. I have been, and still am, very active in my community and Church. I am the Financial/Business Administrator for my Church as well as a member of the Usher Board. I believe in the Credit Union and the service provided to the community. I have been a member of a Credit Union for thirty-five years.

Eric Menger

Thank you for your consideration of my application to be a member of the Board of Directors for the Indian River Federal Credit Union. I have been a resident of Indian River County since 1962, and a member of IRFCU since 1989. After graduating from Vero Beach High School in 1977, I was appointed to the United States Naval Academy and was commissioned a naval officer in 1981. I served over 8 years active duty in the U.S. Navy as a pilot, with over 2500 flight hours. I left active duty in 1989, but remained in service as a reservist until 2007, when I retired as a captain. Concurrently, I have served the City of Vero Beach as its airport director since 1996, where I am responsible for managing a \$2M budget and an active public airport. I am also involved with aviation and community service projects in Vero Beach and around the State of Florida. I am a past president of the Florida Airports Council, and was recently elected president of the Florida District Exchange Clubs, whose purpose is working with other civic-minded citizens to exchange business ideas, improve our communities, and support our national project: the prevention of child abuse. I would be honored to serve our credit union in any way I can, and pledge to be an active participant on the Board if elected.

GRE49

Paul "Butch" Redstone

As a graduate of Mississippi State University with a degree in Accounting and Business, I returned to Vero Beach after working for NASA for 3 years as a cost accountant. I am in business for myself at Redstone and Redstone Accountants specializing in taxes and representation of taxpayers before the IRS. I have been on the Board of Directors of the Life for Youth Ranch and Treasurer of the First United Methodist Church for over 20 years. I have served as president of the Vero Beach Indian River County Chamber of Commerce, Exchange Club of Vero Beach, and Rotary Club of Vero Beach Sunrise. I have also been a member of Indian River Federal Credit Union for over 20 years. I am looking forward to using my accounting and business ability to help the Credit Union continue to move forward.
